After-School Care

Energy Kidz will be providing after-school care at The Rowans for the Summer Term. This provision will run from 3.15-6pm Monday to Friday, at a cost of £13.50 per session.

Please note, your child may attend any of the After School Clubs detailed in this brochure from 3.15-4.15pm and then join Energy Kidz at 4.15pm, so that they can benefit from the full range of opportunities and experiences.

Bookings are made directly with Energy Kidz and details of this online booking system will be emailed to you at **10am on Wednesday 2nd March**.

Please note that Energy Kidz needs a minimum of an average of 10 children per day to attend to make the provision viable and is limited to a maximum number of children. Once the provision is full you will be placed on a waiting list. Parents will be informed as soon as possible if the provision is not able to go ahead.

Piano & Violin Lessons

Piano and Violin lessons are available during the week on a rotational basis, so that your child will not miss the same school lesson each week. Piano lessons will be taught by Mrs Luyendijk, our Music Teacher. Violin lessons will be taught by our external peripatetic teacher, Miss Hart. Please note that these music lessons are offered for a full academic year, and consequently **a term's notice is required should you wish to withdraw your child**. Children need to have a piano at home on which to practise, and bring in their own violin, their own music books and be prepared to practise at home during the week! The charge will be £25 per lesson.

Bookings for violin are made via email to **Miss Hart** at mizukijulia@yahoo.co.uk Please note that **lessons are currently fully booked for the Summer Term** but if you would like your child to join the waiting list, please contact office@rowans.org.uk

Music helps children to develop many skills including memory and concentration and this is a wonderful opportunity for the children to extend their learning into the creative arts. We offer various performances for the children throughout the year, including playing in assembly, class concerts and in the music concert. We hope your child is keen to take up this opportunity to learn, or continue, a new skill.

DESCRIPTION OF CLUBS

EARLY MORNING CLUBS

<p>Sean McInnes Early Morning Football Club</p> <p>Monday and/or Wednesday</p> <p>Reception, Years 1 & 2</p>	<p>Sean McInnes Sports Coaching is an independent sports coaching company, with years of experience, dedicated to offering a wide range of multi sports sessions that are suitably challenging and enjoyable to participants. In our Football Club, we work on our shooting and our dribbling, teaching children to use the correct technique from a young age. Every week, we introduce a new trick, which helps develop new combinations and skills. We finish with matches to further develop their skills.</p>
<p>Sean McInnes Early Morning Tennis Club</p> <p>Tuesday</p> <p>Reception, Years 1 & 2</p>	<p>Sean McInnes Sports Coaching is an independent sports coaching company, with years of experience, dedicated to offering a wide range of multi sports sessions that are suitably challenging and enjoyable to participants. Our Tennis club will give the children an introduction to Tennis, teaching them the techniques of a forehand, backhand, serve and volley. We will focus on the different types of movement in tennis whilst also helping them improve their hand-eye coordination. We will integrate the rules of the game through small activities and also through matches being played at the end of each session.</p>
<p>Philosophy Club</p> <p>Thursday</p> <p>Years 1 & 2</p>	<p>Philosophy Club for young children aims to help children develop a range of basic skills, such as listening, turn-taking, critical thinking and expressing their own thoughts and ideas, using logical and sequential language. In addition, it helps build confidence and self-esteem, instils an innate respect for the views and ideas of others and encourages a zest for learning through independent investigation. During this Club, we will explore 'big questions', play games and develop skills of conversation which will help the children improve their communication with others.</p>
<p>Sean McInnes Early Morning Cricket</p> <p>Thursday</p> <p>Reception, Years 1 & 2</p>	<p>Sean McInnes Sports Coaching is an independent sports coaching company, with years of experience, dedicated to offering a wide range of multi sports sessions that are suitably challenging and enjoyable to participants. Our Cricket club will give children the opportunity to understand all 3 aspects of the game; bowling, batting and fielding. We will achieve this by improving the children's co-ordination, balance and agility while improving their specific techniques for each part of the game of cricket. Smaller individual activities and game play will ensure that they understand the rules of the game and how to play effectively.</p>
<p>Choir</p> <p>Friday</p> <p>Years 1 & Year 2</p>	<p>Choir explores different styles and songs, often singing in two parts – rounds and partner songs. Some of the songs are simple, others more sophisticated, and this aims to meet the age range across two year groups. Children are awarded certificates during the final term of the year, depending on how many terms they have sung with the choir. This is to encourage loyalty and to build an experienced choir. The choir sings at the Christmas and Summer Fairs and at School Concerts.</p>

AFTER SCHOOL CLUBS

<p>AMSA Chess Club</p> <p>Monday</p> <p>Reception, Years 1 & 2</p>	<p>Our Chess Club is made up of a small group of children of all different abilities. We introduce one by one the gambits of chess, which are made up of Pawns, Castles, Horses, Bishops, Queens and Kings. The children are taught how each gambit can move on the Chess Board and are challenged to play against their peers in friendly competitive matches.</p>
<p>Dance Club with Awesome Kids</p> <p>Monday</p> <p>Reception, Years 1 & 2</p>	<p>Dance Club covers a wide range of dance styles to expose the children to a variety of genres and different types of music and movement, such as Street Dance, Zumba, Pop, Salsa, Hip-Hop. The dance routines will be complemented with fun dance games and activities, which will improve musicality, co-ordination, teamwork and leadership skills as well as making the class enjoyable for all. We give a mini performance at the end of each term, with every child receiving a certificate and prize upon completion.</p>
<p>Music Workshop</p> <p>Monday</p> <p>Reception, Years 1 & 2</p>	<p>This Club will provide an opportunity for children to enjoy the experience of making music together. We will use a variety of percussion instruments and have lots of fun! This Club is especially suited for children who do not yet formally learn an instrument and would like to learn something new, but all are welcome. There will also be performance opportunities to showcase what we have learnt.</p>
<p>Homework Club</p> <p>Monday and/or Thursday</p> <p>Years 1 & 2</p>	<p>Homework Club provides your child with the opportunity to work in a focused and quiet environment with some adult guidance. We start by practising spellings and then move on to the work in their books. If the children finish their homework they have time to complete their reading too, and will record this in their reading record. Please note that children will still need to carry out any unfinished reading, times-tables and spellings at home and this is not a 1:1 tuition session.</p>
<p>Art Club</p> <p>Monday</p> <p>Reception, Years 1 & 2</p>	<p>In Art Club children will learn a variety of skills and techniques. We will be using a range of materials as we work on different projects and we aim to develop self-confidence and promote creativity. Most importantly, we will have fun and use our imagination!</p>
<p>AMSA Cricket</p> <p>Tuesday</p> <p>Reception, Years 1 & 2</p>	<p>Cricket club aims to provide children of all levels of ability and experience with an opportunity to participate and develop skill, knowledge and understanding - this is achieved through a variety of fixed, variable and game based Cricket practices. Players will be challenged to progress key skills such as catching, throwing, bowling and striking skills within small, rewarding maximised participation games. A player centered coaching process is implemented to create player ownership, creativity and imagination, which guides learning and encourages participation and fun.</p>
<p>Puzzle Club</p> <p>Tuesday</p> <p>Year 1 only</p>	<p>Puzzles are an excellent way for children to develop useful life skills which contribute to overall wellbeing and self-esteem. Activities will include traditional puzzles, such as crosswords and mazes, as well as memory and logic games. In this Club the children will learn to test and apply different strategies in order to solve problems. They will learn patience and resilience during puzzle solving as well as a sense of achievement on completion.</p>

	<p>Activities will also develop hand-eye coordination, fine motor skills and sometimes gross motor skills. Finally, through working together on puzzles, the children will learn to listen to others and develop communication skills.</p>
<p>Gardening Club Tuesday Reception, Years 1 & 2</p>	<p>Having already achieved the Level 4 School Gardening Award from the Royal Horticulture Society, the gardeners of Gardening Club are busily, weeding, sowing and planting their way towards Level 5. In addition, these green-fingered recruits are learning how to share their exciting projects with others in school and with our local community.</p>
<p>AMSA Gymnastics Club Wednesday Reception, Years 1 & 2</p>	<p>Gymnastics is a sport that requires great flexibility, balance and control. It also provides a unique and valuable social education and experience. It creates an environment where teamwork, sportsmanship, fair play and dedication are required in order to master the fundamental skills to be a successful gymnast. AM Sports Academy gymnastics classes aim to develop balance, co-ordination, gross and fine motor skills, spatial awareness and body control. Our gymnastic classes include areas such as tumbling, vault work, balance beam, and dance.</p>
<p>AMSA Football Club Wednesday Reception, Years 1 & 2</p>	<p>AM Sports Academy's Football Club aims to improve participants technically by working on control, passing, movement, turning, shooting, attacking, defending and creating space. These are the key attributes which are worked on over a fun and exciting syllabus. The sessions are inclusive for all abilities and we have a real focus on participation and enjoyment. Each session starts with a fun warm up before moving into skills work, which follows the AM Sports Academy syllabus to aid progression, and finishes with small sided matches to give children the opportunity to put their newly learned skills into match situations. There are prizes available every week for the 'Player of the Week'.</p>
<p>AMSA Athletics Thursday Reception, Years 1 & 2</p>	<p>Athletics Club will focus on the key FUNdamental stages of a child's physical development and movement patterns. Agility, Balance, Co-ordination and Speed will all be developed within fun, creative and engaging games. Children will also have the opportunity to develop the Foundation stage of an athlete by learning the correct techniques and in turn develop their individual skill, knowledge and understanding in a range of different running, jumping and throwing events.</p>
<p>The Arts Place Drama Club Thursday Reception & Year 1</p>	<p>The Arts Place are delighted to be bringing their award-winning Drama Clubs to The Rowans School again this Summer Term! Our Drama classes are designed in line with the EYFS Statutory Framework to build children's confidence, vocabulary, communication skills, as well as their ability to collaborate, use their imagination and think creatively.</p>
<p>Construction Club Thursday Reception, Years 1 & 2</p>	<p>Construction Club offers the children the opportunity to interact and communicate with others, as they explore Lego and other construction toys. They will be encouraged to complete design challenges, as well as plan, make and review their own models. This allows them the opportunity to try out their own ideas and make improvements as they go along. This club will develop their fine motor skills, visual perception and cognitive skills. The fun weekly challenges and opportunities for free-play will provide a sense of accomplishment in completing projects and the children can feel proud as they share their ideas and finished projects with their friends.</p>
